MEMORANDUM FOR: Associate Deputy Director for Administration

FROM :
Commander, JMRTC

SUBJECT : Your Address to the JMRTC on 22 October 1979. (U)

The JMRTC is greatly indebted to you both for your willingness to substitute for Mr. Wortman when his duties took him out of town and for a thoroughly stimulating and informative presentation. The scope and complexity of the functions performed by your Directorate never cease to amaze me, and judging by the enthusiastic comments that I have received, all present at your talk shared my keen interest in your wide-ranging and particularly well organized remarks. We cannot thank you enough for taking the time to share your thoughts with us. Your participation in our program was especially appreciated in view of the JMRTC's close and continuing association with the DDA through its subordination to the Director of Personnel and the wide range of indispensable support it receives from the Offices of Personnel, Training and Logistics.
